CLIFFORD MATRIX RSIII INSTALLATION MANUAL Pdf Download ...

Mounting the Receiver/Antenna Receiver/antenna position should be discussed with the vehicle owner prior to installation, since the antenna may be visible to the vehicle's operator. The best location for the receiver/antenna is centered high on either the front or rear windshield. For optimal range, the antenna should be mounted vertically.

Clifford Matrix Alarm Installation Guide

The first step in installing a Clifford car alarm is to decide where to put the control module and shock sensor. Under the passenger seat or the dash is a good place for the control module. No matter where you mount the shock sensor, make sure it is protected from water and mounted to something that is extremely rigid and connected to either the frame or the body.
