Be inspired by new design and follow the latest codes as you custom build the deck of your dreams! Architecture, building codes, and design are not static; they change constantly. That's why there's a new edition of the bestselling **Black & Decker**: The Complete Guide to Decks, incorporating updates to national building codes, as well as new developments in building materials and design. Calling attention to composite deckboards and railings, as well as other PVC products made from recycled plastic, the new materials systems featured in this book are environmentally friendly, easy to work with, rot resistant, and very low maintenance. Whether you opt for manufactured deck products or wood, the success of your project depends upon a sturdy deck undercarriage. Accomplishing this isn't difficult, but building the framework requires that you have the latest information on building codes. In recent years, these codes have changed significantly, affecting everything from post diameter to allowable joist hangers to railing height and even the size of concrete footings. **Black & Decker**: The Complete Guide to Decks is the only DIY deck book that's fully updated to conform to the latest codes. Chapters covered in the book include: Deck Planning & Design Deck Materials & Tools Structural Support Decking Stairs Railings Accessories Finishing & Maintaining Your Deck Custom Deck Projects Gallery of Inspiring Decks **Black & Decker**: The Complete Guide to Decks offers complete step-by-step photos and instructions, so even homeowners with limited DIY experience are assured of a deck that meets their needs. So, don't wait any longer; build the deck of your dreams and start enjoying it!

All the do-it-yourself information you need for your home repairs. **BLACK+DECKER** The Book of Home How-To is easy to search through, even easier to use. The editors at Cool Springs Press know a thing or two about DIY home improvement and maintenance; we've been writing about it for the past quarter-century, and we have more than a few bestsellers under our tool belts. Until now, there's been one thing missing: an ultimate, fully-loaded, reference book for every home project you can dream of; the compilation of our longstanding expertise; the home how-to book to crush all others. The good news doesn't stop there; **BLACK+DECKER** The Book of Home How-To is designed to reflect the way we search for information today. You won't find chapters or long, boring introductions, or even a table of contents. This book is an A-to-Z encyclopedia with precise how-to instructions and clear photos packed onto every page. With an expanded index that is incredibly intuitive and a simple, alphabetical strategy for organizing the information, you won't spend precious time wading through stuff you don't need to know. Finding first-rate information on home care has never been easier, and all the most common tasks around your home are covered—including: Electrical Plumbing Flooring Walls Windows and doors Cabinetry Insulating Heating and cooling Roofing and siding And that's just scratching the surface. Just about any repair or remodeling project you can imagine is right here, at your fingertips.

Confidently tackle--and accomplish--any wall or ceiling project yourself, with our help! Walls and ceilings are vital to the structural integrity and the overall appearance of any home, so they are worth your time and care. **Black & Decker** The Complete Guide to Walls & Ceilings gives you all the information you need to understand and maintain structural integrity, while reimagining and remodeling visible surfaces to meet your home decor needs. When you decide to remove a wall and open up the space or create a new wall and a new room, you'll see for yourself how great the impact of walls and ceilings is. All the essentials of framing walls and ceilings are shown with beautiful step-by-step photos in exhaustive detail, including framing window and door openings. You'll also learn the tips and techniques for hanging and finishing drywall on horizontal and vertical surfaces. If you've ever taped and mudded drywall in the past, you'll be amazed to see how much less labor and mess it involves when it's done the correct way. Choosing and applying wallcoverings is also covered in this new book from the experts at **BLACK+DECKER**, as is the final step in your wall or ceiling project: installing trimwork. Baseboard, crown molding, door and window trim, and much more are explained with color photos and easy-to-follow instructions.

"An up-to-date, environmentally responsible approach to lawn care with mainstream appeal. An ideal reference for busy homeowners who want better grass quickly and easily"--Provided by publisher.
